BREAKFASTMENU

The Haysville Board of Education approved a Universal Free Breakfast program for the 2022-2023 school year. The program provides all USD 261 students, regardless of their family's financial situation, with the option to eat breakfast each day school is in session for free. Families do not have to complete any paperwork for their children to participate in the free breakfast program.

The National School Lunch Program Guidelines require we offer each student 5 food components--

- **MEAT / MEAT ALTERNATES (PROTEINS)**
- **GRAINS**
- **VEGETABLES**
- **FRUITS**
- **MILK**

Students are allowed to decline 2 of the 5 required food components, but grades K-8 must select at least 1/2 cup of either a fruit or vegetable. *We encourage every student to take all the foods that are offered!*
