The Haysville Board of Education approved a Universal Free Breakfast program for the 2022-2023 school year. The program provides all USD 261 students, regardless of their family's financial situation, with the option to eat breakfast each day school is in session for free. Families do not have to complete any paperwork for their children to participate in the free breakfast program.

USDA recently revised the CACFP meal patterns to ensure children have access to healthy, balanced meals throughout the day. Under the updated child meal patterns, meals served will include a greater variety of vegetables and fruit, more whole grains and less added sugar and saturated fat. The changes made to the meal patterns are based on the Dietary Guidelines for Americans, scientific recommendations from the National Academy of Medicine, and stakeholders input. CACFP centers must comply with the updated meal patterns. If you have any question or comments please contact KSDE Child Nutrition & Wellness 785-296-02276
